

Board #1, Regular Season: Sporcle Soiree

Board type: Collaborative

Created by: Rahat Bathija

Materials: Sporcle.com

Instructions:

3 rounds of sporcle quizzes.

Choose 3 categories from the list below. Going one sporcle quiz at a time, teams collaborate to answer each quiz. One member of each team will be the typer for each quiz. Each member of the team must type for one quiz, so rotate typers.

Pro Tip: When doing the screen share, it is helpful to turn off your video to reduce bandwidth.

After the completion of each sporcle, take a screenshot of your score and email it to [erkuras@gmail.com](mailto:erkuras@gmail.com). Return to the main Zoom Room after you have completed your three rounds to await the final results!
