

Board #2, Regular Season: Escape from M. Night Shyamalan

Board type: Collaborative

Created by: Caroline Thompson

Materials: Supplies needed: A web browser, video conference capabilities, and preferably at least one person per team with at least vague knowledge of the works and reputation of writer and director M. Night Shyamalan

Website: <https://cthomps.s3.amazonaws.com/index.html>

In this silly game, you are an executive film producer on the run from writer and director M. Night Shyamalan. You'll make choices and solve puzzles in your quest to defeat him, earning points along the way.

- Please open the link on one teammate's computer and screen share it with the others.
 - Pro Tip: When one of you is sharing your screen, it is helpful for everyone else to turn off their videos to reduce bandwidth.
- There are a lot of ways to cheat on this game, so honor's system rules are in place.
- When you're prompted to input text to answer a question, please use all caps (doesn't apply to the naming prompts on the title screen)
- If you're utterly confused or upset please lodge your questions and/or comments with Caroline at 860-707-4714.
- Report your final score to Rahat at rahatbathija@gmail.com (for Sunday games), Conor at conortlsullivan@gmail.com (for Monday games) or Evan at erkuras@gmail.com (for Tuesday games)

Win Conditions:

- **Your team will earn points along the way and your final score will be adjusted along a 0-3 scale**
